Task 3: Both mandatory fields configured (asterisk visible)

The screenshot displays the ServiceNow 'Incident - Create INC0010008' form. The left sidebar contains navigation links under 'Self-Service', including Business Applications, Dashboards, Service Catalog, Employee Center, Knowledge, Visual Task Boards, Incidents, Watched Incidents, My Requests, Requested Items, Watched Requested Items, My Connected Apps, My Profile, My Tagged Documents, My Tags, My Knowledge Articles, Take Survey, My Approvals, and My Assessments & Surveys. The main form area has a top bar with 'Incident - Create INC0010008' and 'Application scope: Global Update set: Default [Global]'. Below this, the form is divided into two columns. The left column contains fields: Number (INC0010008), * Caller (empty), Category (Inquiry / Help), Subcategory (-- None --), Service (empty), Service offering (empty), and Configuration item (empty). The right column contains: State (New), Impact (3 - Low), Urgency (3 - Low), Priority (5 - Planning), Assignment group (empty), and Assigned to (empty). Below these fields are tabs: * Description, Added Fields, Resolution Details, Notes, Related Records, and Resolution Information. The * Description tab is active, showing a * Short description (empty) and a Description (empty) field. At the bottom, there is a Related Search section with a search bar and a dropdown menu set to 'Knowledge & Catalog (All)'. The text 'No results to display' is shown below the search bar. In the bottom right corner, there is a message: 'Activate Windows Go to Settings to activate Windows.'

Task 4: List view with 8 correct columns

The screenshot shows the ServiceNow Incidents list view. The 'Personalize List Columns' dialog is open, allowing users to select columns for the list. The 'Available' list includes Subcategory, Tags, Task type, Time worked, Transfer reason, Universal Request, Updates, Upon approval, Upon reject, Urgency, User input, Watch list, Work notes, Work notes list, and Opened. The 'Selected' list includes Number, Priority, Caller, Category, Assignment group, Assigned to, State, and Updated. The dialog also has checkboxes for 'Wrap column text', 'Compact rows', 'Active row highlighting', 'Modern cell coloring', 'Enable list edit', and 'Double click to edit'. The 'Reset to column defaults' button is at the bottom left, and 'Cancel' and 'OK' buttons are at the bottom right.

Part 3: Business Rules (Server-Side Scripting)

Auto-Set Priority = Critical and Assignment Group = Service Desk.

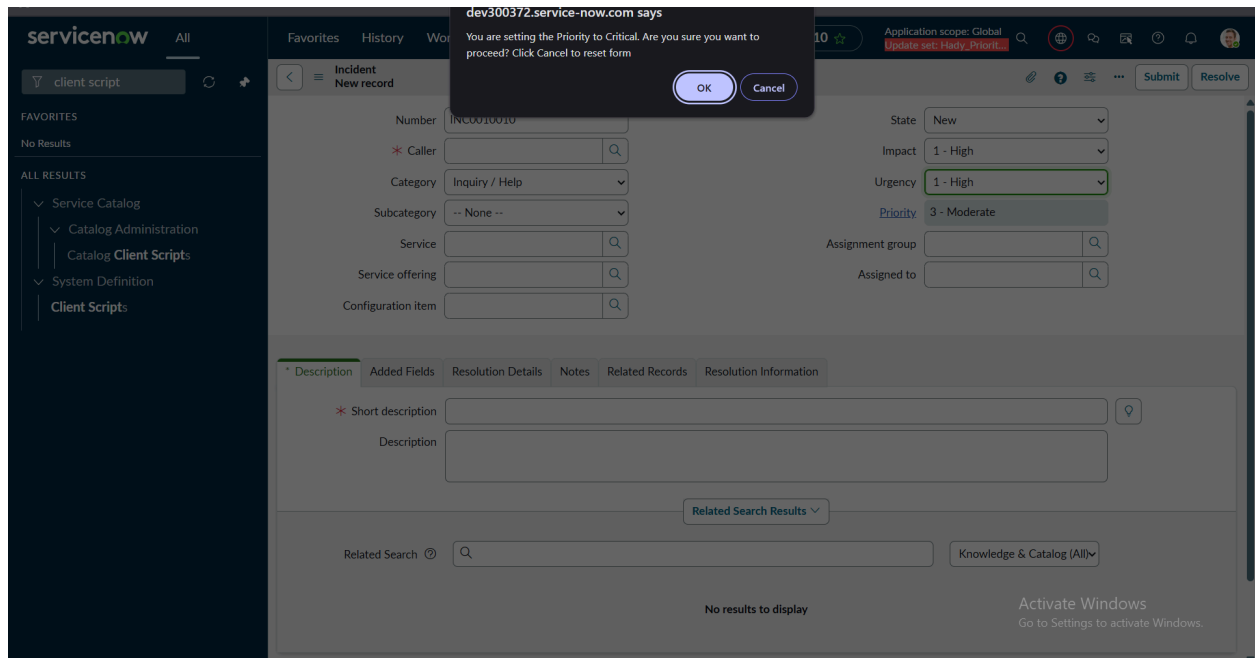

The screenshot displays the ServiceNow interface for an Incident record (INC0010009). The left sidebar shows the navigation menu with categories like Business, CSDM, Design, and Metrics. The main form area contains the following fields:

- Number: INC0010009
- * Caller: Abel Tuter
- Category: Inquiry / Help
- Subcategory: -- None --
- Service: [Empty]
- Service offering: [Empty]
- Configuration item: [Empty]
- State: New
- Impact: 1 - High
- Urgency: 1 - High
- Priority: 1 - Critical
- Assignment group: Service Desk
- Assigned to: [Empty]

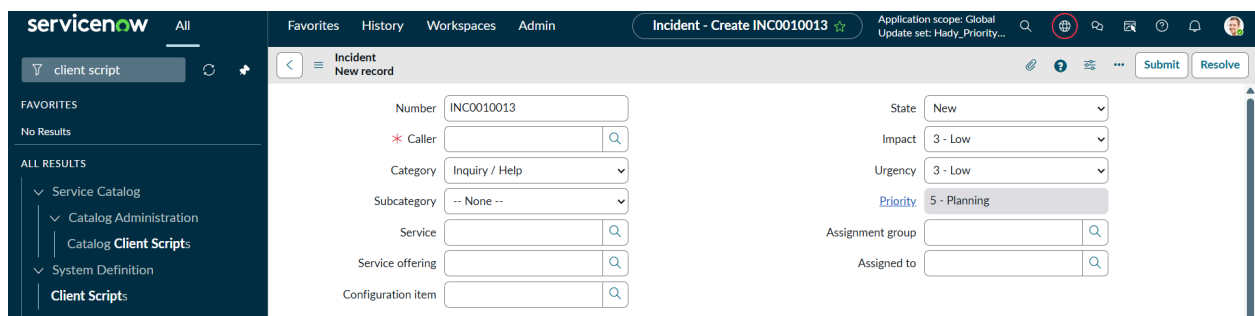

The Description tab is active, showing the Short description field with the text: "Auto-Set Priority = Critical and Assignment Group = Service Desk." Below the Short description field is a larger Description field. At the bottom of the form, there are buttons for Update, Resolve, and Delete. The Related Links section includes links for Show SLA Timeline and Repair SLAs. The bottom of the screen shows a status bar with Task SLAs (2), Affected CIs, Impacted Services/CIs, and Child Incidents.

Part 4: Client Scripts (Client-Side Scripting)

When I set Impact and Urgency to 'High,' the business rule automatically updated the Priority to '1' (Critical), which then triggered the confirmation dialog from my client script.

After clicking **cancel** in the dialog

After clicking **ok** in the dialog

The screenshot shows the ServiceNow 'Incident - Create INC0010013' form. The left sidebar contains the 'client script' search bar and a navigation menu with 'Service Catalog', 'Catalog Administration', 'Catalog Client Scripts', and 'System Definition'. The main form area is titled 'Incident - Create INC0010013' and includes a 'New record' button. The form fields are organized into two columns. The left column contains: 'Number' (INC0010013), 'Caller' (marked with a red asterisk), 'Category' (Inquiry / Help), 'Subcategory' (-- None --), 'Service', 'Service offering', and 'Configuration item'. The right column contains: 'State' (New), 'Impact' (1 - High), 'Urgency' (1 - High), 'Priority' (1 - Critical), 'Assignment group', and 'Assigned to'. The 'Urgency' field is highlighted with a green border. The top right of the form has 'Submit' and 'Resolve' buttons.

Field	Value
Number	INC0010013
State	New
Impact	1 - High
Urgency	1 - High
Priority	1 - Critical
Assignment group	
Assigned to	
Category	Inquiry / Help
Subcategory	-- None --
Service	
Service offering	
Configuration item	
Caller	

Part 5: UI Policies

Before setting state to resolved or close

The screenshot shows the ServiceNow Incident form for incident INC0010017. The form is in the "New record" state. The left sidebar contains a list of system UI components, including "UI Policies". The main form area has tabs for "Description", "Added Fields", "Resolution Details", "Notes", "Related Records", and "Resolution Information". The "Resolution Details" tab is active, showing fields for "Resolved by" and "Resolved at". The "State" field is set to "New". The "Priority" field is set to "5 - Planning". The "Assignment group" field is empty. The "Assigned to" field is empty. The "Submit" and "Resolve" buttons are visible at the bottom.

After setting state to **Resolved**

The screenshot shows the ServiceNow Incident form for incident INC0010017 after the state has been set to "Resolved". The "State" field is now "Resolved". The "Resolution Details" tab is still active, but the "Resolved by" and "Resolved at" fields are now required, indicated by red asterisks. The "Resolution code" field is set to "-- None --". The "Resolution notes" field is empty. The "Assignment group" field is highlighted with a green border. The "Assigned to" field is empty. The "Submit" and "Resolve" buttons are visible at the bottom.

After setting state to **Closed**
